Only a small rear detail (black bordered black epaulets) was observed in GUNTRAMSDORF (0 49/X 37). The last course for signal personnel had been completed in early July 1949. Local residents stated that furniture was being hauled from GUNTRAMSDORF to BADEN near VIENNA (0 49/X 37).

25X1A [redacted] Comment: According to information obtained up to February 1949, a signal unit (of the Central Group of Forces?) which regularly conducts courses for signal personnel is assumed stationed in GUNTRAMSDORF.
